Favorite indie game: Undertale
Recommended recipe: Kung Pao Tofu

PROJECTS

HowTo   🔗 Demo | Github   *May 2023*

A **SPA** website that allows users to discover and craft unique step-by-step tutorials

- **Tech stack: TypeScript | React 18 | Redux Toolkit | Tailwind CSS | Firebase**
- Designed and developed from scratch without any guidance in **8 one week sprints**
- Used **TypeScript** to increase type safety and developer experience
- Used **Redux Toolkit** for efficient global data and state management
- Used **Firebase** for user authentication, database and website hosting
- Used **Tailwind CSS** for clean and consistant design across devices

Alpha Twitter   🔗 Demo | Github   *March 2023*

A **collaborative** simple Twitter clone with FE, BE trainees at Alpha Camp

- **Tech stack: React 18 | React-router | Axios | Styled-components | Vite** (front-end)
- Completed within **2 weeks** using **Agile** development methodology
- Worked as **front-end lead** and designed project's front-end structure
- Collaborated with the back-end team members using **REST API**
- Used **Git** for version control and intergrated **CI/CD** workflow with **Github Actions**

EDUCATION

ALPHA Camp *   🔗 Certification   *Sep 2022 - April 2023*

Full Stack Web Development Program - Specialize in Front-end Course

- Completed **110+** assignments, **4+** projects and **1** collaborative project with back-end developer trainees in **7 months**
- Dedicated more than **70+ hours per week** into Front-End knowledge and programming
- Organized a **5-week** study group and shared topics about React, JavaScript and front-end development

* ALPHA Camp is a tech and startup school present in Taiwan, Singapore and Hong Kong

Université Rennes 2   *Sep 2021 - May 2022*

Erasmus Programme - Arts du spectacle parcours Etudes cinématographiques

National Chengchi University   *Sep 2017 - May 2021*

Bachelor of European Languages and Cultures - French major

WORK EXPERIENCE

Digital Marketing Assistant

Elite English Language Institute   *Mar 2021 - July 2021*

- Community management: creating social media contents, answering to customer's comments (Facebook, Instagram)
- Writing contents for the company's blog or website
- Helping the marketing team to follow-up and improve the digital marketing strategy
